

**Kiwanis Honors Cloverly Elementary School Students**  
**Koko Kusayanaghi and Maylin Chen**  
**February 6, 2018**

The Kiwanis Club of Temple City recognized two outstanding students from Cloverly Elementary School. Accompanying the students was long-time teacher, Ms. Krista Carlson.

**Koko** is 11 years old and in Ms. Carlson's class. She has an older sister and enjoys Kendo and playing the piano, she also has an interest in squishies and slime. Koko said, "The best things about Cloverly Elementary are the coding laboratory, spirit rally's, the great teachers and Principal." The best thing that ever happened was having her mother give birth to her. If she could change one thing, it would be to end bullying. If she could build one thing, it would be a teleporter so she could travel quickly. Personal goals are to get straight A's, read more than 100 books, and to make new friends when she goes to Oak Avenue Intermediate School.

**Maylin** is 12 years old and in Ms. Tenney's class. She has an older sister and enjoys reading, swimming, and challenging math. Maylin said, "The best things about Cloverly Elementary are the kind and helpful teachers, the extensive collection of books in the library, and Principal Edo is very supportive and friendly." The best thing that ever happened was always having good people in life to help her. If she could change one thing, it would be end global warming. If she could build one thing, it would be an efficient solar panel that could provide the world's energy needs. Personal goals are to attend a good college, learn Spanish, and build a smart robot.

Each week the Temple City Kiwanis Club is pleased to recognize outstanding students and their teachers from Cloverly, Emperor, Longden, Oak Avenue, Temple City High School, and the Dr. Doug Sears Learning Center. Kiwanis treats students and their teacher to lunch. Students receive a certificate, a letter for their parents, a bumper sticker, a gift certificate from The Hat Restaurant and North Woods Inn, and a photograph of them receiving their award. Their photo and story will be posted on the Temple City Unified School District website and on their Facebook page.
