

# Kiwanis Honors Dr. Doug Sears Learning Center Students Giovanni Antrim and Shimyoo (Ruth) Youn March 20, 2018

The Kiwanis Club of Temple City recognized two outstanding students from the Dr. Doug Sears Learning Center. Accompanying the students was their teacher, Ms. Ann Lozier.

**Giovanni** is 16 years old and has an older brother. He enjoys weightlifting and can bench press 180 pounds. Giovanni said, "The best things about the Learning Center are the super nice teachers, the great hours, and the nice kids." The best thing that ever happened was finding out that he was born. If he could change one thing, it would be the President. If he could build one thing, it would be a business of his own. Personal goals are to get good grades, be successful, and become a responsible person.

**Ruth** is 18 years old and has a younger brother. She enjoys reading books and anything related to cats. Ruth said, "The best things about the Learning Center are the teachers, classes, and the location." The best thing that ever happened was going on a long trip to Europe with family. If she could change one thing, it would be her bad habits. If she could build one thing, it would be a Korean restaurant for her parents. Personal goals are to read the Bible and share with her brother every day, try to focus on everything she is doing, and to be more responsible in her life.

Each week the Temple City Kiwanis Club is pleased to recognize outstanding students and their teachers from Cloverly, Emperor, Longden, Oak Avenue, Temple City High School, and the Dr. Doug Sears Learning Center. Kiwanis treats students and their teacher to lunch. Students receive a certificate, a letter for their parents, a bumper sticker, a gift certificate from The Hat Restaurant and North Woods Inn, and a photograph of them receiving their award. Their photo and story will be posted on the Temple City Unified School District website and on their Facebook page.
