

Kiwanis Honors Cloverly Elementary School Students
Chloe Luong and Chloe Tran
April 3, 2018

The Kiwanis Club of Temple City recognized two outstanding students from Cloverly Elementary School. Accompanying the students was Cloverly teacher, Mrs. Sally Stokes.

Chloe Luong is 12 years old and in Mrs. Stoke's class. She has an older brother and enjoys playing the violin, reading, sleeping, and baking. Chloe said, "The best things about Cloverly Elementary are the great music, electives, talent shows, and it has the best teachers." The best thing that ever happened was getting her dog, and becoming a Christian. If she could change one thing, it would be to continue ballet. If she could build one thing, it would be a shelter for homeless animals. Personal goals are to get into a music college, rescue many dogs, and have a career in history, baking, or music.

Chloe Tran is 11 years old and in Ms. Carlson's class. She has two sisters and enjoys reading while having a sweet treat. Chloe said, "The best things about Cloverly Elementary are the great teachers and students, the good books, and great education." The best thing that ever happened was being chosen to receive this award. If she could change one thing, it would be the disparity between the rich and poor. If she could build one thing, it would be a playhouse with many rooms. Personal goals are to go to USC, receive a good education, and have a great future.

Each week the Temple City Kiwanis Club is pleased to recognize outstanding students and their teachers from Cloverly, Emperor, Longden, Oak Avenue, Temple City High School, and the Dr. Doug Sears Learning Center. Kiwanis treats students and their teacher to lunch. Students receive a certificate, a letter for their parents, a bumper sticker, a gift certificate from The Hat Restaurant and North Woods Inn, and a photograph of them receiving their award. Their photo and story will be posted on the Temple City Unified School District website and on their Facebook page.
