

# Kiwanis Honors Cloverly Elementary School Students

## Jaden Chou and Phoebe Li

### November 27, 2018

The Kiwanis Club of Temple City recognized two outstanding students from Cloverly Elementary School. Accompanying the students was Cloverly Principal Mr. Stephen Martin Edo and teacher, Mrs. Sally Stokes.

**Jaden** is 11 years old and in Mrs. Stokes class. He has two older brothers and enjoys playing games and watching cartoons. Jaden said, "The best things about Cloverly Elementary are the helpful teachers, recess, and lunch". The best thing that ever happened was going on a trip to Hawaii and Japan. If he could change one thing, it would be to stop pollution from getting into the rivers and other sources. If he could build one thing it would be a massive castle and a statue of himself in it. Personal goals are to make good food and feed himself, get a dog, and receive good grades.

**Phoebe** is 11 years old and in Ms. Tenney's class. She has an older brother and enjoys hand lettering, reading, and making blended smoothies. Phoebe said, "The best things about Cloverly Elementary are the helpful teachers that have your best in mind, how Mr. Edo continues to make improvements, and the bully-free environment". The best thing that ever happened having a supportive family. If she could build one thing, it would be sanctuary for the less fortunate. Personal goals are to continue to help fellow students, learn to take care of herself and relax.

Each week the Temple City Kiwanis Club is pleased to recognize outstanding students and their teachers from Cloverly, Emperor, Longden, Oak Avenue, Temple City High School, and the Dr. Doug Sears Learning Center. Kiwanis treats students and their teacher to lunch. Students receive a certificate, a letter for their parents, a bumper sticker, a gift certificate from The Hat Restaurant and North Woods Inn, and a photograph of them receiving their award. Their photo and story will be posted on the Temple City Unified School District website and on their Facebook page.
