

# Kiwanis Honors Emperor Elementary School Students Bryan Huang, Ryan Shu, and Eithel Yocupicio December 11, 2018

The Kiwanis Club of Temple City recognized three outstanding students from Emperor Elementary School. Accompanying the students was Emperor teacher Mr. Greg Giangregorio and Vice Principal Mrya Ruedel.

**Bryan** is 11 years old and in Mr. Giangregorio's class. He has a younger brother and enjoys basketball, reading about Presidents, swimming, and Rubik's cube. Bryan said, "The best things about Emperor Elementary are the dedicated teachers, the Principal Ms. Chang, and the education I receive". The best thing that ever happened was visiting the United States Capitol and White House. If he could change one thing, it would be to not have any wars. If he could build one thing, it would be a replica of the White House. Personal goals are to get very good at basketball, work for the President, and be the best person he can be.

**Ryan** is 11 years old and in Ms. Trieu's class. He enjoys building Lego's, reading ingredients, and organizing things. Ryan said, "The best things about Emperor Elementary are my math classes with Mr. Giangregorio, recess, and history". The best thing that ever happened was when he discovered electronics. If he could change one thing, it would be to prevent a future end of the world. If he could build one thing, it would be a fast transportation device. Personal goals are to get a good job, have a great future and a great family.

**Eithel** is 11 years old and in Mrs. Scanlan's class. He has a younger sister and enjoys swimming, playing cards, art, and music. Eithel said, "The best things about Emperor Elementary are kind and helpful staff, the special events such as game day and Christmas parties". The best thing that ever happened was winning first place for swimming free style. If he could change one thing, it would be to end violence caused by guns. If he could build one thing, it would be a water source in Africa along with schools. Personal goals are to lose more weight, become more organized at home and school, focus more on homework, chores, and goals.

Each week the Temple City Kiwanis Club is pleased to recognize outstanding students and their teachers from Cloverly, Emperor, Longden, Oak Avenue, Temple City High School, and the Dr. Doug Sears Learning Center.
