

Kiwanis Honors Longden Elementary School Students Justin Li, Bryanna Moreno, and Maximus Sarello January 22, 2019

The Kiwanis Club of Temple City recognized three outstanding students from Longden Elementary School. Accompanying the students was their teacher Mrs. Karen Hsieh.

Justin is 11 years old and has three older sisters. He enjoys all sorts of electronic devices. Justin said, "The best things about Longden Elementary are trying my best to get good grades, listening more in class, and being the best in math". The best thing that ever happened was becoming a Student of the Month. If he could change one thing, it would be to get rid of all sickness. If he could build one thing, it would be a time machine to go back in time. Personal goals are to get at least three A's in all subjects, pay attention and listen in class, get a good job so he is not homeless when he grows up.

Bryanna is 11 years old and has three brothers and sisters. She enjoys playing soccer. Bryanna said, "The best things about Longden Elementary are the Principal, teachers, and recess". The best thing that ever happened was seeing her brother and sisters for the first time. If she could change one thing, it would be to allow students to bring dogs to school. If she could build one thing, it would be an animal clinic and shelter. Personal goals are to become a veterinarian, have a big house, and to drive a Range Rover.

Maximus is 11 years old and has a brother and sister. He enjoys swimming, rock climbing, and going to the beach. Maximus said, "The best things about Longden Elementary are the science classes, P.E., and recess". The best thing that ever happened was having three dogs. If he could change one thing, it would be to stop littering. If he could build one thing, it would be a huge aquarium for endangered sea life. Personal goals are to improve his swimming and high dive, to understand math, and to write better.

Each week the Temple City Kiwanis Club is pleased to recognize outstanding students and their teachers from Cloverly, Emperor, Longden, Oak Avenue, Temple City High School, and the Dr. Doug Sears Learning Center. Kiwanis treats students and their teacher to lunch. Students receive a certificate, a letter for their parents, a bumper sticker, a gift certificate from The Hat Restaurant and North Woods Inn, and a photograph of them receiving their award. Their photo and story will be posted on the Temple City Unified School District website and on their Facebook page.
