

Kiwanis Honors Dr. Doug Sears Learning Center Students Trinity Evangelista and George Chen February 19, 2019

The Kiwanis Club of Temple City recognized two outstanding students from the Dr. Doug Sears Learning Center. Accompanying the students was DDSLC teacher Mrs. Dolores Lopez. Mrs. Lopez announced some new elective classes including Yoga and Automotive Repair.

Trinity is 18 years old and in Mrs. Lopez and Mrs. Lozier class. She enjoys reading, sewing, photography, painting, writing, and nature. Trinity said, "The best things about the Learning Center are the small campus, and everyone is nice". The best thing that ever happened was having her own credit card. If she could change one thing, it would be to work on her communication skills. If she could build one thing, it would be a homeless shelter where she could feed homeless people. Personal goals are to become physically fit, sew more, and to graduate.

George is 16 years old and in Mrs. Lopez class. He enjoys games, 3D modeling, and designing things. George said, "The best things about the Learning Center are the graphics class, the quiet work space, and no homework (everything is done in class)". The best thing that ever happened was learning 3D modeling. If he could change one thing, it would be the computer setup he currently owns. If he could build one thing, it would be to work on one of his game concepts. Personal goals are to learn Blender in Motion and master it, learn basic coding, and to start working on a game with a team of developers.

Each week the Temple City Kiwanis Club is pleased to recognize outstanding students and their teachers from Cloverly, Emperor, Longden, Oak Avenue, Temple City High School, and the Dr. Doug Sears Learning Center. Kiwanis treats students and their teacher to lunch. Students receive a certificate, a letter for their parents, a bumper sticker, a gift certificate from The Hat Restaurant and North Woods Inn, and a photograph of them receiving their award. Their photo and story will be posted on the Temple City Unified School District website and on their Facebook page.
