

Kiwanis Honors Cloverly Elementary School Students Ramond Li and Kara Ngoy February 26, 2019

The Kiwanis Club of Temple City recognized two outstanding students from Cloverly Elementary School. Accompanying the students was Cloverly teacher Ms. Krista Carlson. Krista is celebrating a 30-year teaching career in the TSUSD.

Raymond is 12 years old and in Ms. Tenney's class. He enjoys meeting new friends, and running. Raymond said, "The best things about Cloverly are all my friends at school, the really nice teachers, and learning something new every day". The best thing that ever happened was going to school for the very first time. If he could change one thing, it would be to end world hunger. If he could build one thing, it would be a time machine to go back in time when he did something bad. Personal goals are to make friends with all the people he meets, do well in school, attend college and have a successful career.

Kara is 11 years old and in Ms. Carlson's class. She has a brother and sister and enjoys arts and crafts, reading, sketching, and playing on her phone. Kara said, "The best things about Cloverly are the amazing staff, the cool activities we are allowed to do, and the great school environment". The best thing that ever happened was going to Science Olympiad and experiencing something new. If she could change one thing, it would be to change the grading system used for fourth and fifth grade back to letter grades because numbers are confusing. If she could build one thing, it would be a homeless shelter for people in need. Personal goals are to stop procrastinating, study more, and improve her grades.

Each week the Temple City Kiwanis Club is pleased to recognize outstanding students and their teachers from Cloverly, Emperor, Longden, Oak Avenue, Temple City High School, and the Dr. Doug Sears Learning Center. Kiwanis treats students and their teacher to lunch. Students receive a certificate, a letter for their parents, a bumper sticker, a gift certificate from The Hat Restaurant and North Woods Inn, and a photograph of them receiving their award. Their photo and story will be posted on the Temple City Unified School District website and on their Facebook page.
