

Kiwanis Honors Cloverly Elementary School Students Megan Niu and Robert Lozano March 26, 2019

The Kiwanis Club of Temple City recognized two outstanding students from Cloverly Elementary School. Accompanying the students was Cloverly Principal Mr. Stephen Martin Edo and teacher Mr. Allen Wong. Robert's father was also in attendance to see his son receive his award.

Megan is 11 years old and in the 6th grade. She is in Mrs. Rivera's class and has a younger sister. She enjoys art, music, video games, Anime, and Manga. Megan said, "The best things about Cloverly is the staff is nice and cares about the students, the students are nice, and the education is good". The best thing that ever happened was being chosen as a Kiwanis Student of the Month. If she could change one thing, it would be for people to stop using violence for solving their problems. If she could build one thing, it would be a machine that runs on water and gets rid of trash without any pollution. Personal goals are to pass her piano exam, that her sister's special needs be cured, and that people would stop littering.

Robert is 11 years old and in the 6th grade. He is in Mr. Wong's class and has four sister's. He enjoys drawing. Robert said, "The best things about Cloverly are his two teachers, going to school with his cousin, and learning new things". The best thing that ever happened was being born to caring parents. If he could change one thing, it would be to end all sickness. If he could build one thing, it would be a machine that makes food for the entire family. Personal goals are to get straight A's, read more books with his free time, and learn to play the piano.

Each week the Temple City Kiwanis Club is pleased to recognize outstanding students and their teachers from Cloverly, Emperor, Longden, Oak Avenue, Temple City High School, and the Dr. Doug Sears Learning Center. Kiwanis treats students and their teacher to lunch. Students receive a certificate, a letter for their parents, a bumper sticker, a gift certificate from The Hat Restaurant and North Woods Inn, and a photograph of them receiving their award. Their photo and story will be posted on the Temple City Unified School District website and on their Facebook page.
