

# Kiwanis Honors Cloverly Elementary School Students Addison Meira and Sebastian Tran October 22, 2019

The Kiwanis Club of Temple City recognized two outstanding students from Cloverly Elementary School. Accompanying the students was Dr. Joshua Porter, Assistant Superintendent of Curriculum and Instruction, Cloverly Principal Mr. Steven Martin Edo, and teacher Mrs. Yvonne Rivera.

**Addison** is 10 years old and has an older brother. She enjoys yoga, hiking, arts and crafts. Addison said, “The best things about Cloverly are the nice teachers and kind office ladies, the long lunches so people last in line have time to eat, and the most fair Principal ever”. The best thing that ever happened is having a great family and friends. If she could change one thing, it would be the battles that teenagers are creating in Hong Kong. If she could build one thing, it would be a teleporter to get you to your destination fast. Personal goals are to get good grades, have a successful job, and attend a great college.

**Sebastian** is 11 years old and has an older sister. He enjoys solving Rubik’s Cubes, playing volleyball, and swimming. Sebastian said, “The best things about Cloverly are the nice faculty and staff, the great students, and the wonderful Spirit Rallies with Lunch on the Lawn”. The best thing that ever happened is having a great family that cares for him. If he could change one thing, it would be to improve the environment and reduce pollution. If he could build one thing, it would be a dyson sphere that collects energy from the universe and lets us use it. Personal goals are to get good grades, to do well in school, and improve his time to solve the Rubik’s Cube.

Each week the Temple City Kiwanis Club is pleased to recognize outstanding students and their teachers from Cloverly, Emperor, Longden, Oak Avenue, Temple City High School, and the Dr. Doug Sears Learning Center. Kiwanis treats students and their teacher to lunch. Students receive a certificate, a letter for their parents, a bumper sticker, and a photograph of them receiving their award along with a gift card for North Woods Inn. Their photo and story will be posted on the Temple City Unified School District website and on their Facebook page.
