

# Kiwanis Honors Cloverly Elementary School Students Joaquin Mora-Cabral and Anna Dai November 19, 2019

The Kiwanis Club of Temple City recognized two outstanding students from Cloverly Elementary School. Accompanying the students was Principal Stephen Martin Edo and their teacher Stephanie Baker.

**Joaquin** is 11 years old and has an older sister. He enjoys baseball, basketball, drawing, and watching and learning wrestling. Joaquin said, "The best things about Cloverly are learning about math, lunch on the lawn, and the super nice teachers and students". The best thing that ever happened was going to a Raw and Smackdown show and traveling on a plane to Seattle. If he could change one thing, it would be to have everything cost less. If he could build one thing, it would be a huge housing complex for people that don't have homes. Personal goals are to become a Veterinarian or Doctor, become an artist, and become a WWE Superstar.

**Anna** is 11 years old and enjoys ballet, math, and programing. Anna said, "The best things about Cloverly are the nice and respectful teachers, the students show good characteristics, and the great school activities". The best thing that ever happened was winning first place at a dance competition. If she could change one thing, it would be the times her mother lost faith in her. If she could build one thing, it would be a foundation to help everyone achieve their goals. Personal goals are to pass her Algebra test in the 6<sup>th</sup> grade, get into the top 12 at Youth America Grand Prix, and do better in I-Ready.

Each week the Temple City Kiwanis Club is pleased to recognize outstanding students and their teachers from Cloverly, Emperor, Longden, Oak Avenue, Temple City High School, and the Dr. Doug Sears Learning Center. Kiwanis treats students and their teacher to lunch. Students receive a certificate, a letter for their parents, a bumper sticker, a gift certificate for North Woods Inn for \$15, and a photograph of them receiving their award. Their photo and story will be posted on the Temple City Unified School District website and on their Facebook page.
