## THIS TUESDAY

Zoe TeBeau is a Certified Appraiser of Personal Property. She is an Accredited Member of the International Society of Appraisers. There are only 5,000 Certified Appraisers in the country that are accredited and recognized by the IRS and US Customs as a "qualified appraiser." She will concentrate her talk today about returning your personal property back into the marketplace when it comes to a down-sizing due to lifestyle changes. You are encouraged to bring your significant other for this informative program.

We will also have Royalty with us on Tuesday with the newly crowned Camellia Festival Royal Court as they visit us. For the kid's sake, make sure you say an extra prayer for great weather next weekend. We will also have Students of the Month from the Dr. Doug Sears Learning Center.

## LAST TUESDAY

Steve Montesanti did a good job making sure everyone knew their responsibilities for our Annual Pancake Breakfast. No one knew who the co-chairman is so Richard Wenzel stepped up and, we think volunteered. As least that is the story we are sticking with.

Dan Snell gave his usual good report on recruiting new members.

Mike Lepore led his group of 8 members to the El Monte club last Thursday at Edwards Steakhouse. Mike told of their President being the ex-Chief of Police and levying \$100 fines like crazy. After attending the meeting, those not wanting to join the El Monte club were Chuck Shaw, John Gera, Mike Miller, Bill Hohl, Dan Snell, Mike Lepore, and Richard Wenzel.

Mike Miller has the new (outdated) Division 10 Directory. Not to bad, it only took them 5 months this time to produce this epic.

## STUDENTS OF THE MONTH

We honored three outstanding students from Emperor Elementary School. Accompanying the students was teacher Mrs. Shelly Scanlan.

**Sarah Marie Wright** is 12 years old and in Mr. Giangregorio's class. She has 2 younger brothers, Jeremy and Julian. Jeremy Wright is on this year's Royal Court. Sarah enjoys playing soccer, cello, drawing, writing stories, and playing in the church band. Sarah said, "The best things about school are the kind and helpful teachers, the homework is explained well, and the campus is clean." Personal goals are to build a home for underprivileged children, graduate from college, and become an influential person.

**Robert Mendoza** is 11 years old and in Mrs. Taylor's class. Robert enjoys playing soccer, singing in the High School Musical this spring, dancing, cooking, and reading. The best things about Emperor are the great teachers, friends, and fun activities. Robert said the best thing is having friends that are there for him and a family that cares. Personal goals are to build a home for the less fortunate, become a history professor, be an actor or soccer pro.

**Aaron Arriola** is 12 years old and in Mrs. Scanlan's class. Aaron enjoys playing basketball, baseball, camping, and motorcycle riding. Aaron said, "The best things about Emperor are the clean campus, helpful staff, and receiving a great education." The best thing that ever happened was moving to Temple City. Personal goals are to help kid's that are sick and can not speak., build a Field of Dreams in Temple City, become a police officer, read more, and play baseball or basketball at the college level.

## QUOTE OF THE WEEK

"A cynic is not merely one who reads bitter lessons from the past, he is one who is prematurely disappointed in the future."

- Sidney J. Harris
