**JUNE 9, 2009 TUESDAY 12:15 P.M. VOL. 70 NO. 36**

**THIS TUESDAY**

Productivity expert and coach Evelyn Gray presents "Organizing for Success".

**LAST TUESDAY**

Janice Murasko has been a teacher in the district for 29 years and has taught English, journalism, and drama. She is now teaching Teen Living and is the Community Service Director. Janice was also a former member of our club having been President in 2000.

Janice presented "Baby, think it over". Janice along with students Ali Blank and Christopher Mendez showed what it is like to do all the things you normally do for a baby, including feeding, burping, changing diapers, and to find out why it is crying. I can see why they cost so much. These babies are very life-like, including breathing and electronic diapers.

These technology advanced electronic life like babies cost about \$950 each and record your every move including how many times the baby was shaken or its head was not supported properly, or how many times you put the feeding bottle to its mouth. There are 5 babies available for Janices' 2 classes. 60 students go through the 5 week program allowing them to take the babies home and care for them. Electronic monitoring devices do not allow them to just hand the baby off to someone else.

Janice has been helped by the Schools Foundation for the purchase of a new baby but is looking for new sponsors since this is not funded by the district. In my opinion this is a worthwhile project teaching young students what lies before you if you have a baby before you are ready. The girls have a real mother instinct while the boys return the baby at an arms distance. It would be great if in the real world babies cost only \$950.

I think all Janice has to do is tell her young students it takes about \$250,000 from birth to 18 years old. And that is if everything goes well.

**OTHER NEWS**

The Blue Star Banner Program will hold their annual Family Night Barbecue this Friday, June 5th at 6:30 p.m. at First Baptist Church (Rowland and Woodruff). The speaker will be Valarie Floyd who you will remember gave a wonderful talk to us at club back in January. All are welcome. No Charge.

Jim Sexton, a long time friend of Norm and Steve Tyre came to visit along with friend of Jim Robuck, Lorette Clash.

We received a letter from International congratulating us for our club's 70th anniversary. We began on June 6, 1939. Not much has changed with International in 70 years, they were asking for money then and they still are now.

Janice Murasko's dog has its own agent. The dog was featured in a print ad in a recent issue of Parade Magazine.

The summer concert series is fast approaching. We will be selling our famous soft serve ice cream in the food court at the park. Please let Chuck Souder or Jim Robuck how you can help on some Wednesdays.

The Barbecue Committee is hard at work coming up with some new ideas. They will meet at Mike Miller's home on Thursday, June 4th at 5:00 p.m.

The Board decided they would like to do something special for Jim Enkelaar. For the next 3 weeks I will be taking photographs of club members to use in a special gift to Jim. Please make an attempt to attend one of these meetings so we can have 100% participation. I can't tell you too much because you know that Jim reads this bulletin to his new friends in Arizona.

Dr. Doug Sears Learning Center will conduct their Senior Awards at 6:30 p.m. in Room 1.

As school is drawing to a close I think that we have completed another year of Community Service with our Students of the Month. I want to take this opportunity to thank the Principals and teachers for their outstanding cooperation this year as we recognized and honored some of Temple City's finest students along with Temple City Tribune, Temple City Life, Mid Valley News, and the District Office.
