THIS TUESDAY

Our own Jim Robuck will literally take us down the river, the Reine that is. Jim will give a powerpoint presentation of his European trip.

LAST TUESDAY

Productivity expert and coach Evelyn Gray presented "Organizing for Success". After some sparring with our own Steve Tyre as to how many years to save documents for the IRS, we all agreed that Steve would win.

Evelyn is a Productivity Expert, Systems Coach, Speaker and Author, AD/HD and Organizational Consultant. Some of Evelyn's tips are: 1) Don't plan more than 50% of your day so you can allow for interruptions. 2) Make time for the important things, not just the urgent ones. 3) Use the F.A.S.T. technique for each paper that crosses your desk: File it, Act on it, Schedule it, or Toss it. 4) Write your goals down and review them. 5) List everything in order of priority that you need "to do" today. 6) Say "no" to new projects when you're already overloaded.

Did you know that up to 97% of people spend up to 2 months a year just looking for things? It doesn't mean they find them. It just means they're looking for them. How much is it costing you in time, money, space, peace of mind, and loss of productivity?

OTHER NEWS

We are about 1 month away from our Barbecue. How many tickets have you sold. Have you turned in your money to Mr. Happy #1?. Did you ask yourself or significant other as to what prizes we should have at the Barbecue?

We will continue taking head shot photos of members. Smile and say cheeeeeese! It has been reported that Honorary Member John Peebles's wife Pat has passed away in May.

You have had to be living under a rock if you have not seen Temple City in the news recently. We had two unannounced visitors at our meeting Tuesday. Pasadena Star News reporters Alfred Lee and Nathan McIntyre wanted to interview a few members as to the unpleasant happenings in TC.

Editors Note: Temple City has been in the news lately as you may know. The news has not been good regarding some elected city officials. The news only affirms my belief that ALL humankind has inherent sin. We will weather this storm and come out of it a better city. When all the dust settles, this is still the best city of raise your family, be safe, send your kids to school, do commerce, parks and recreation, volunteer, and yes... belong to a service club.
