THIS TUESDAY

Our own Steve "The Tax Man" Tyre will answer all your financial questions Please come prepared to ask Steve your burning questions.

LAST TUESDAY

Kenya Photographic Safaris with Joe and Karen Blaylock. Joe and Karen Blaylock grew up in California and attended South Gate High School where they were high school sweethearts who dated in a 1928 Model A Ford. They still have the car. Joe attended Cal Poly Pomona and received his teaching credential from USC. He worked in Los Angeles Unified School District and finished his career as assistant principal at Eagle Rock High School. Joe and his wife Karen enjoy traveling. Joe's program featured photographs of African animals in their natural habitat, a narrative about the National Parks and Reserves, the safari lodges they stayed at, the local Masai tribes, and pictures of typical scenery of the great Serengeti plains.

Steve Montesanti came back from the International Convention with a lot of great ideas on fund raising and membership. Gasoline is \$5.29 a gallon in Florida. Steve was in sessions from 8 a.m. to 4 p.m. each day. Don Canaday of Fishers, Indiana was elected as the President-Elect. Paul Palazzolo was elected 2009-2010 President-Elect.

Steve also reported on Kiwanis International goal of having 1 million members by the year 2015. They are about 250,000 members now. They immediately doubled their membership by including Circle K and Key Club members into the count. Pretty neat uh!

Steve reported that Convention attendance was down significantly this year. There were only 5,000 in attendance. They all had a good time except for Lisa Montesanti.

Amendments: Two year term option for club officers-Approved; Two year term option for Lt. Governors-Approved; Kiwanis clubs may make available to each member in good standing the option to vote electronically or by paper ballot for annual club officer elections-Approved; District representation on the Kiwanis International Board-Rejected.

Resolutions: Celebrating and Fostering Inclusiveness was approved and amended to read "Celebrating Inclusiveness". I personally like this one being Armenian.

OTHER HAPPENINGS

We are the host club at the DCM (Division Council Meeting) on Thursday, July 10th. It will be held at San Gabriel Parks and Recreation, 250 S. Mission. Oh, did I mention, free food.

Make sure you start selling your tickets to the Barbecue. This is our major fund raiser that helps support the work we do in our community. Also, please get your donation into Mike Miller for the purchase of drawing gifts.

Is there any truth that I am being nominated as "Mr. Happy#4"?

4th OF JULY

In the United States, Independence Day commonly known as the Fourth of July is a federal holiday commemorating the adoption of the Declaration of Independence on July 4, 1776, declaring independence from the Kingdom of Great Britain. Congress approved the wording of the Declaration on July 4 and then sent it to the printer. Whether John Hancock, as the elected President of the Second Continental Congress, or anyone else signed the document that day is unknown, because that document was sent to the printer, and has been lost — presumably destroyed in the printing process. On August 2 in the following month, an engrossed document was signed by Hancock and other delegates.

Independence Day is commonly associated with fireworks, parades, barbecues, carnivals, picnics, baseball games, and various other public and private events celebrating the history, government, and traditions of the United States, but is often also viewed as simply a summer festival, apart from its patriotic overtones

QUOTE OF THE WEEK

"Science may set limits to knowledge, but should not set limits to imagination."
- Bertrand Russell (1872 - 1970)

Have a safe 4th of July and see you Tuesday, Jerry
