JULY 14, 2009 TUESDAY 12:15 P.M. VOL. 70 NO. 41

THIS TUESDAY

It is that time of year again when Mr. Happy#1 will tell us this is our last year. Let's prove him wrong by having the biggest and best barbecue ever. You can do **YOUR PART** by selling all the tickets that have been allotted to you. Please bring you ticket money to the meeting on Tuesday. Each year our reserves have been going in the wrong direction. If we are to continue providing help to our community and youth we need to make sure it is successful.

Super gift Chairman Sue Matchett needs your monetary help in buying gifts for the drawing. We are down in money given for this purpose so please do **YOUR PART**. The suggested amount is \$25 per member. Please contact Sue immediately with your donation. Sue is busy getting donations from the Temple Sheriff's Station. Many suggestions were given as to some notable Temple City people to go on the ride alongs.

LAST TUESDAY

Gregor Jittlov has been in the automobile repair industry for 13 years as a technician with BMW, Lotus, Jaguar, Jensen Healey, Mercedes-Benz, M.G. and Triumph and 22 years as a Service Manager with Acura, Bentley, Izuzu, Rolls-Royce plus Volvo brands. He is a ASE Master Technician and Automotive Consultant qualifications. He is the Service Manager at Zak's Foreign Car Service in Rosemead.

Greg is married with two children, past President of the Temple City Sportsman Club and enjoys hunts in Central California and the Sierra's.

Greg spent a good deal of time explaining why the automotive industry is in a world or hurt right now. Many dealers have closed as the economy has worsened. Dealers make their money in two ways, selling cars or selling parts. El Monte is really feeling the pinch as many dealers have closed and effected their sales tax base. Ford is the only brand that seems to be doing a little better, in 2007 Ford helped dealers close with incentives.

Some things you might have not known: Bentley is owned by Volkswagen, Rolls Royce is owned by BMW, it costs \$2,200 PER tire for a Rolls Royce.

The bottom line is that for years American car manufacturers made cars that people did not want to buy. At the Concerts in the Park last Wednesday there was a new Camaro from O'Donnell Chevrolet and the "NEW" General Motors. With our bailout money they are building a car that sells for \$46,000. With our current economy are there enough people out there to buy these cars?

OTHER HAPPENINGS

It was good to see John Chandler back with us, minus a little weight and the bottom lobe of his lung. John also brought Bob Moore who previously presented his Model A Trip program.

Good to see Tom McIntee along with girlfriend Marie. Our absent minded Interclub Chairman Mike Lepore almost reported on out visit with San Gabriel. Those willing to drive the bumpy streets of San Gabriel were Pres. Chuck, John Gera, Dan Snell, Elmer Black, and Jerry Jambazian.

Congratulations to Steve and Lisa Montesanti who celebrated their Wedding Anniversary on July 9th.

IMPORTANT NOTICE

We will be meeting and the World Famous Zen Buffet (corner Rosemead Blvd and Broadway) on **TUESDAY, JULY 21st**. Our investigative team is hard at work.
