THIS TUESDAY

Our new Lt. Governor Jan Robertson will speak about her goals as she leads Division 10. Jan is a very organized person who is a member of the Rosemead club. Please make every attempt to attend and show support for Jan. This is an official visit.

LAST TUESDAY

We began the new Kiwanis year the way we begin every year. No program! Why does this keep happening?

Guest of the Club Ron Dorazio came for the 2nd time at Mike Lepore's urging. Ron was approved to go to Kiwanis education. Others in attendance were First Lady Lisa Montesanti, Bill Hohl's Jessica, Norm's Phillip. It was good to see Peggy Sue Miller at our club meeting. Peggy promised to get more involved in club projects. The Board moved Jim Enkelaar to Honorary status.

Super Membership Committee has a goal of 10 new members in 2009-10. On October 26th a new prospective member begins his stint as our new City Manager. His name is Jose Pulido, he comes from a strong redevelopment background having served in San Fernando and Montebello.

President Steve paid for their vacation in Hawaii after shaming the hotel into giving them a better room with a view on the 7th floor. Steve has also come up with a new drawing. Two tickets will be picked, if the 1st person wins he/she splits with the 2nd. If the 2nd picks the winning card he/she takes it all.

New Interclub chairman Chuck Souder will not be outdone, when asked how the interclubs were coming along, he turned to his mentor Mike Lepore for those famous words "I'm working on it". Some things never change!

The vote is in with no hanging chads. We will continue to meet at the Bahooka. The score card was 10 for Bahooka, 7 for Coco's, and 1 for Zen Buffet.

STUDENTS OF THE MONTH

We began the year by honoring two outstanding students from Oak Avenue Intermediate School. Pictured with the proud students is Assistant Principal Daryl Topalian. Daryl is a product of Temple City schools and an alumni of Oak Avenue. Member Richard Wenzel remembers having Aaron as a student at Cloverly.

Aaron is 13 years old and in Mrs. Dolter's Challenger class. Aaron has an older brother and enjoys tennis, and anything involving finances. Aaron said, "The best things about Oak Avenue are the awesome teachers, friendly environment for learning, and ASB!!." The best thing that ever happened to Aaron was being elected ASB treasurer for the 8th grade. Personal goals are to build a tall skyscraper with a business center, a mall, tons of restaurants, and a big church on the top. Aaron would also like to play JV tennis in high school, become ASB president at TCHS, and get to know more awesome friends.

Catherine is 13 years old and in Miss Strauss' Challenger class. Catherine has a younger brother and enjoys reading, exercising, basketball (Lakers), the computer, and family time. Catherine said, "The best things about Oak Avenue are the supportive staff members that provide higher education, and the safe environment with no bad influences." Personal goals are to develop a longevity pill, create a cure for every disease or sickness in the world, go to medical school (UCLA), have an impact and change for certain traditions and politics, and maintain a 4.0 GPA throughout high school.
