"THE CAMELLIA CLUB"

TEMPLE CITY CALIFORNIA
Chartered August 8, 1939

OCTOBER 27, 2009 TUESDAY 12:00 P.M. VOL. 71 NO. 4

THIS TUESDAY

The American Cancer Society will speak to us about a topic that we all need to hear about, Prostate Cancer. Prostate cancer is the most common non-skin cancer in America, affecting 1 in 6 men. The older you are, the more likely you are to be diagnosed with prostate cancer. Although only 1 in 10,000 under age 40 will be diagnosed, the rate shoots up to 1 in 38 for ages 40 to 59, and 1 in 15 for ages 60 to 69. In fact, more than 65% of all prostate cancers are diagnosed in men over the age of 65.

We will also honor outstanding students from Longden Elementary School.

LAST TUESDAY

Temple City resident Julie Ly with the US Census Bureau is the Deputy Regional Director for the Los Angeles Regional Census Center which covers Hawaii and California.

Julie is a 22 year veteran of the Census Bureau. In the 2000 Census she was responsible for field data collection, administration, recruiting, space leasing, geography and coverage measurement.

Responses to the Census are protected by law. Nobody - not IRS, ICE, FBI, or Homeland Security can see your answers. The 2010 Census will only be using the short form that ask only 7 questions. The Census is important, the data is used for Congressional Apportionment and Redistricting. Over 430 billion each year in Federal funds are distributed based on the results each year. 3.8 million Census takers will be hired to knock on doors with a pay scale of about \$18 to \$24 per hour. For every 1% of response it costs 80 million dollars. Leave it to the Fed's to begin Census Day on April 1, 2010. April fools!

Your editor apologizes for asking unanswerable questions of a 22 year Federal employee. "Why do you ask such hard questions? I will get back with you on that." I will try and lighten up next time.

Dan Snell who is now vacationing in Maine, probably eating some "Lobsta" was the secret handshake. He kind of gave it away by making the rounds and shaking everybody's hand including the waiter.

Many thanks to those who helped in the park last Saturday during the Harvest Hoedown and Craft Faire. Unofficial results are a profit of \$450+.

Jerry Backstrom was a guest of the club along with prospective member Ron Dorazio. Peggy Miller is celebrating 22 years of marriage to Edward.

We wish a speedy recovery to Steve Montesanti's mother who suffered a fractured hip. Steve Tyre is again offering his tax service free of charge to active duty military personnel. Not to be outdone, Mike Miller says he has been offering his services for free to anybody.

It is with great sadness to learn that Zolton Trombol who was Special Assignment Deputy in Temple City for many years suddenly passed away Tuesday.

KIWANIS KALANDAR

October 26 - Live Oak Park Annex Building Dedication at 6:30 p.m.

October 27 - The American Cancer Society will speak on Prostate Cancer.

October 31 - Halloween at Live Oak Park

QUOTE OF THE WEEK

"In spite of illness, in spite even of the archenemy sorrow, one can remain alive long past the usual date of disintegration if one is unafraid of change, insatiable in intellectual curiosity, interested in big things, and happy in small ways." - Edith Wharton (1862 - 1937)

See you Tuesday, Jerry
