

Kiwanis Honors Emperor Elementary School Students Antonia Hart, Skye Yocupicio, and Angela Lee February 11, 2020

The Kiwanis Club of Temple City recognized three outstanding students from Emperor Elementary School. Accompanying the students was Emperor teacher Ms. Roxanne Trieu.

Antonia is 12 years old and in Ms. Trieu's class. She has two older sisters and enjoys math and playing soccer. Antonia said, "the best things about Emperor are playing sports at recess, all the fundraisers we do, and the Student Council". The best thing that ever happened was when her soccer team won the Western States competition. If she could change one thing, it would be not having to eat lunch on Wednesday's. If she could build one thing, it would be a product that would clean the oceans. Personal goals are to get an A in reading class, get a first chair seat in orchestra, and pass her AR goal.

Skye is 11 years old and in Mrs. Scanlan's class. She has an older brother and enjoys swimming and having fun with her friends. Skye said, "the best things about Emperor are the fun teachers, parties, and field trips". The best thing that ever happened was going on her first plane trip to Hawaii. If she could change one thing, it would be to have no bad people in the world and only good citizens. If she could build one thing, it would be a bakery because she likes to add ingredients, mixing and eating. Personal goals are to not forget things, improve her grades and reading comprehension, and get better at swimming.

Angela is 12 years old and in Mr. Giangregorio's class. She has a twin brother and sister and enjoys dancing and snowboarding. Angela said, "the best things about Emperor are the teachers, clean campus, and the Library". The best thing that ever happened was going to dance class. If she could change one thing, it would be to end world hunger. If she could build one thing, it would be an ointment that could heal anything in just one second. Personal goals are to get enough sleep for school, go on pointe shoes (ballet), and learn to play golf.

Each week the Temple City Kiwanis Club is pleased to recognize outstanding students and their teachers from Cloverly, Emperor, Longden, Oak Avenue, Temple City High School, and the Dr. Doug Sears Learning Center. Kiwanis treats students and their teacher to lunch. Students receive a certificate, a letter for their parents, a bumper sticker, a gift certificate for North Woods Inn for \$10, and a photograph of them receiving their award. Their photo and story will be posted on the Temple City Unified School District website and on their Facebook page.
