

Kiwanis Honors Cloverly Elementary School Students Nicholas Garcia and Sophia Lam November 17, 2020

The Kiwanis Club of Temple City recognized two outstanding students from Cloverly Elementary School. During this time of pandemic our club recognized these great students at a virtual Zoom meeting.

Nicholas is 11 years old and in the 6th grade. He is in Mr. Allen Wong's class. He has two older sisters and enjoys video games, books, and electronics. Nicholas said, "The best things about Cloverly are the friends I have made there, how clean the school is, and the nice staff. The best thing that ever happened was when he went to Hawaii.

If he could change one thing, it would be to return to school for learning. If he could build one thing, it would be a computer. Personal goals Nicholas is striving for is to get a good paying job, go to college, and have a good job so he could travel a lot.

Sophia is 11 years old and in the 6th grade. She is in Mr. Allen Wong's class. She has a brother and sister and enjoys drawing, watching shows, playing games, and reading. Sophia said, "The best things about Cloverly are the cool mascot, the teachers will help you a lot, and it's a nice community. The best thing that ever happened was getting a legendary character in a game.

If she could change one thing, it would be the pollution in the world. If she could build one thing, it would be a time machine so she could tell her younger self to do nothing she would regret. Personal goals Sophia is striving for are to get into a good college, get good grades, and to become known for something.

Each month the Temple City Kiwanis Club is pleased to recognize outstanding students and their teachers from La Rosa, Cloverly, Emperor, Longden, Oak Avenue, Dr. Doug Sears Learning Center, and Temple City High School. Students receive a certificate, a letter for their parents, and a bumper sticker. Their photo and story will be posted on the Temple City Unified School District website and on their Facebook page.
