

Kiwanis Honors Dr. Doug Sears Learning Center Students Craig Anderson and Dillon Cobb November 17, 2020

The Kiwanis Club of Temple City recognized two outstanding students from the Dr. Doug Sears Learning Center. During this time of pandemic our club recognized these great students at a virtual Zoom meeting.

Craig is 17 years old and in the 12th grade. He is in Ms. Ann Lozier's class. He enjoys video editing. Craig said, "The best things about the DDSLC are the great staff, the way they work with you, and they actually care about you. The best thing that ever happened was when he transferred to the DDSLC.

If he could change one thing, it would be to help everyone through this pandemic. If he could build one thing, it would be a time travel machine. Personal goals Craig is striving for is to be a better person every day, graduate on time, and live the life he wants.

Dillon is 17 years old and in the 12th grade. He is in Ms. Ann Lozier's class. He has two younger brothers and enjoys video games, baseball, youth groups, bike riding, and hanging out with friends. Dillon said, "The best things about the DDSLC are the understanding teachers, the small school, and it is easy to learn. The best thing that ever happened was being born.

If he could change one thing, it would be to end all the hate in the United States right now. If he could build one thing, it would be a bike from scratch. Personal goals Dillon is striving for is to get his high school diploma, go to college, and become a nurse.

Each month the Temple City Kiwanis Club is pleased to recognize outstanding students and their teachers from La Rosa, Cloverly, Emperor, Longden, Oak Avenue, Dr. Doug Sears Learning Center, and Temple City High School.
