

Kiwanis Honors Cloverly Elementary School Students Juliana Ortega and Daniel Montes December 15, 2020

The Kiwanis Club of Temple City recognized two outstanding students from Cloverly Elementary School. During this time of pandemic our club recognized these great students at a virtual Zoom meeting.

Juliana is 12 years old and in the 6th grade. She is in Mrs. Baker's class. She has three brothers and sisters and enjoys baking, painting, and bike riding. Juliana said, "The best things about Cloverly are the kind people at my school, the fun events, and the school is helpful. The best thing that ever happened was when being chosen as a Kiwanis Student of the Month.

If she could change one thing, it would be to not have the Corona Virus around the world. If Juliana could build one thing, it would be a cure for cancer. Personal goals she is striving for is to play soccer again, keep her grades up, and make the rest of the school year the best.

Daniel is 11 years old and in the 6th grade. He is in Mrs. Baker's class. He enjoys playing video games, reading, and playing badminton. Daniel said, "The best things about Cloverly are his friends, the amazing faculty, and inspiring environment. The best thing that ever happened was getting his Xbox.

If he could change one thing, it would be to end the pandemic. If he could build one thing, it would be a huge tree house. Personal goals Daniel is striving for are to get good grades until he finishes school, get a high paying job, and living a good life.

Each month the Temple City Kiwanis Club is pleased to recognize outstanding students and their teachers from La Rosa, Cloverly, Emperor, Longden, Oak Avenue, Dr. Doug Sears Learning Center, and Temple City High School. Students receive a certificate, a letter for their parents, and a bumper sticker. Their photo and story will be posted on the Temple City Unified School District website and on their Facebook page.
