

# Kiwanis Honors Cloverly Elementary School Students Eric Palafox Garcia and Megan Lin January 19, 2021

The Kiwanis Club of Temple City recognized two outstanding students from Cloverly Elementary School. During this time of pandemic our club recognized these great students at a virtual Zoom meeting.

**Eric** is 12 years old and in the 6<sup>th</sup> grade. He is in Ms. Denise Galvan's class. He has two older brothers. He enjoys making things out of Lego's. Eric said, "The best things about Cloverly are learning mathematics, having and making friends, and reading." The best thing that ever happened was going to Mexico to meet his relatives for the first time, including his grandfather and godfather.

If he could change one thing, it would be to stop the coronavirus so he could return to school to see his friends and teacher. If Eric could build one thing, it would be a hospital so people that were unfortunate to get Covid-19 could get treated fast. Personal goals Eric is striving for is to lose weight, become an engineer, and help others as best he can.

**Megan** is 11 years old and in the 6<sup>th</sup> grade. She is in Mrs. Denise Galvan's class. She enjoys art and crafts, singing, dancing, and speaking. Megan said, "The best things about Cloverly are the teachers and staff members, the kindness, and respect." The best thing that ever happened was being born to amazing parents.

If she could change one thing, it would be for every child in the world to have equal access to education and educational materials. If she could build one thing, it would be a home for pets that have to leave the shelters due to overflow. Personal goals Megan is striving for are to become more productive, keep her grades up, and become more disciplined and responsible.

Each month the Temple City Kiwanis Club is pleased to recognize outstanding students and their teachers from La Rosa, Cloverly, Emperor, Longden, Oak Avenue, Dr. Doug Sears Learning Center, and Temple City High School.
