

Kiwanis Honors Cloverly Elementary School Students Tyler Chu and Sophia Acevedo February 16, 2021

The Kiwanis Club of Temple City recognized two outstanding students from Cloverly Elementary School. During this time of pandemic our club recognized these great students at a virtual Zoom meeting.

Tyler is 12 years old and in the 6th grade. He is in Ms. Yvonne Rosales-Rivera's class. He has a younger brother and enjoys gaming on his computer after school and after completing his homework. He also catches ants in his spare time. Tyler said, "The best things about Cloverly are my many friends that help me, the kind teachers that make me laugh. I am never bored while learning and we have fun together." The best thing that ever happened was getting his gaming computer which he also uses for online school and learning.

If he could change one thing, it would be to stop Covid-19 from being released to the world, it has affected his own family members. If Tyler could build one thing, it would be a Fix Everything Button to fix all your problems. Personal goals Tyler is striving for is to catch a leafcutter ant queen, he wants to exercise more at home during stay-at-home orders, and he wants to be a comedian.

Sophia is 11 years old and in the 6th grade. She is in Ms. Yvonne Rosales-Rivera's class. She has a younger sister and enjoys acting, playing basketball, flag football, reading, playing games, learning about history and animals, and spending time with her family. Sophia said, "The best things about Cloverly are the supportive teachers and staff, we are taught valuable life lessons, and I can meet many amazing people." The best thing that ever happened was learning she comes from many different places in the world such as, Bolivia, Zacatecas, Africa, and other places.

If she could change one thing, it would be to stop all the discrimination in the world. If she could build one thing, it would be a device that saves the ozone layer by taking all chemicals and pollution out of the air. Personal goals Sophia is striving for is to get a scholarship to Pepperdine, become a great actress, and to get straight A's forever.

Each month the Temple City Kiwanis Club is pleased to recognize outstanding students and their teachers from La Rosa, Cloverly, Emperor, Longden, Oak Avenue, Dr. Doug Sears Learning Center, and Temple City High School. Students receive a certificate, a letter for their parents, and a bumper sticker. Their photo and story will be posted on the Temple City Unified School District website, on their Facebook page, and the Superintendent's monthly newsletter.
