

Kiwanis Honors Oak Avenue Intermediate School Students Alivia Castro and Jayden Huang February 16, 2021

The Kiwanis Club of Temple City recognized two outstanding students from Oak Avenue Intermediate School. During this time of pandemic our club recognized these great students at a virtual Zoom meeting.

Alivia is 12 years old and in the 7th grade. She is in Mrs. Winnie Joe's class. She has two younger brothers and enjoys dance, soccer, swimming, acting, singing, reading, baking, cooking, and writing. Alivia said, "The best things about Oak Avenue are the clubs, teachers, staff, and the students." The best thing that ever happened was when her brothers were born because they are her best friends and she loves them.

If she could change one thing, it would be that everyone in the world would not have to worry and everyone could be happy. If Alivia could create one thing, it would be a place where kids could learn to act and sing for free. Personal goals are to be a better person and student, to always be positive and happy, and always help others and try her best.

Jayden is 12 years old and in the 7th grade. He has a younger sister and enjoys gaming, reading, playing the violin and piano. Jayden said, "The best things about the Oak Avenue are the good teachers, the clean campus, and the huge auditorium/gym." The best thing that ever happened was making a lot of good friends.

If he could change one thing, it would be way some people are treated. If Jayden could build one thing, it would be a submarine. Personal goals he is striving for are to get good grades, read more, and get fit.

Each month the Temple City Kiwanis Club is pleased to recognize outstanding students and their teachers from La Rosa, Cloverly, Emperor, Longden, Oak Avenue, Dr. Doug Sears Learning Center, and Temple City High School. Students receive a certificate, a letter for their parents, and a bumper sticker. Their photo and story will be posted on the Temple City Unified School District website, on their Facebook page, and the Superintendent's monthly newsletter.
