

Kiwanis Honors Dr. Doug Sears Learning Center Students Cloe Samoiliw and Nicholas Vo March 16, 2021

The Kiwanis Club of Temple City recognized two outstanding students from the Dr. Doug Sears Learning Center. During this time of pandemic our club recognized these great students at a virtual Zoom meeting.

Cloe is 17 years old and in the 11th grade. She is in Ms. Shannon Findley's class. She has a brother and sister and enjoys cooking and baking. Cloe said, "The best things about the Learning Center are being able to learn at your own pace, and the flexible schedule." The best thing that ever happened was when she adopted her cat.

If she could change one thing, it would be to have more people have access to medical care. If Cloe could build one thing, it would be hospitals to help people that can't get good medical care. Personal goals are to get ahead in all her classes, learn new recipes and practice them, and eating healthier and working out.

Nicholas is 16 years old and in the 11th grade. He is in Ms. Shannon Findley's class. He enjoys gaming, fishing, sports, and video editing. Nicholas said, "The best things about the Learning Center are being able to do my homework anytime I want, I have one teacher, and I can always set up a meeting if I need to." The best thing that ever happened was when his father introduced him to fishing.

If he could change one thing, it would be to bring his father back. If Nicholas could build one thing, it would be a beach house for fishing. Personal goals he is striving for are to get into a good college, get a job, and go fishing all over the world.

Each month the Temple City Kiwanis Club is pleased to recognize outstanding students and their teachers from La Rosa, Cloverly, Emperor, Longden, Oak Avenue, Dr. Doug Sears Learning Center, and Temple City High School. Students receive a certificate, a letter for their parents, and a bumper sticker. Their photo and story will be posted on the Temple City Unified School District website, on their Facebook page, and the Superintendent's monthly newsletter.
