

Kiwanis Honors Emperor Elementary School Students Eilani Yee and Jayden Wang March 16, 2021

The Kiwanis Club of Temple City recognized two outstanding students from Emperor Elementary School. During this time of pandemic our club recognized these great students at a virtual Zoom meeting.

Eilani is 12 years old and in the 6th grade. She is in Mrs. Scanlan's class. She has a younger brother and enjoys cooking, playing video games, drawing, and building things. Eilani said, "The best things about Emperor are the recognition assembly's because it shows the student's hard work, the rainy days because we get to watch shows in the cafeteria, when it's cold and raining our teacher lets us stay in class and eat lunch." The best thing that ever happened was building a flower fan from a little motor and some wood scraps that her dad gave her.

If she could change one thing, it would be equality in the world because things are not great. If Eilani could build one thing, it would be to attach a keyboard to her computer to make it look pretty. Personal goals are to get better at math, get better with time management, and have her room clean all the time.

Jayden is 12 years old and in the 6th grade. He is in Mrs. Trieu's class. He enjoys playing tennis, doing puzzles, and hanging out with his friends. Jayden said, "The best things about Emperor are everyone is super nice, the welcoming atmosphere, and the amazing teachers." The best thing that ever happened was when his mom signed him up for tennis lessons because he loved it. He found something he liked and is now taking private lessons

If he could change one thing, it would be to have longer school hours to shorten the school year and have a longer summer break. If Jayden could build one thing, it would be a huge house with a pool and tennis court for his family. Personal goals are to get 100% in all subjects, make even more friends, and to get into advanced algebra classes.

Each month the Temple City Kiwanis Club is pleased to recognize outstanding students and their teachers from La Rosa, Cloverly, Emperor, Longden, Oak Avenue, Dr. Doug Sears Learning Center, and Temple City High School. Students receive a certificate, a letter for their parents, and a bumper sticker. Their photo and story will be posted on the Temple City Unified School District website, on their Facebook page, and the Superintendent's monthly newsletter.
