Malcolm is 9 years old and in the 3rd grade. He is in Ms. Yolanda Quezada's class. He has a younger brother and enjoys playing Minecraft and basketball. Malcolm said, "The best things about La Rosa are my teacher, reading, and writing". The best thing that ever happened was when his Minecraft class helped him build a boat.

If he could change one thing, it would be his house. If Malcolm could build one thing, it would be a football stadium. Personal goals are to get better at basketball and football, and build a city in Minecraft.

Emma is 9 years old and in the 3rd grade. She is in Ms. Yolanda Quezada's class. She has an older brother and enjoys horseback riding, gymnastics, and baking. Emma said, "The best things about La Rosa are the kind staff that are always willing to help, my amazing teacher that always explains problems in reading and writing, and I love that my school has TED Ed because I attended and was happy that I did". The best thing that ever happened was being a part of TED Ed and being chosen as a Student of the Month.

If she could change one thing, it would be to have everyone receive an opportunity to have a happy life. If Emma could build one thing, it would be a huge home in an empty lot so she could have her grandparents and godparents to live with her. Personal goals are to continue with horseback riding lessons, staying fit and active, and become a pediatrician to help children.

Each month the Temple City Kiwanis Club is pleased to recognize outstanding students and their teachers from La Rosa, Cloverly, Emperor, Longden, Oak Avenue, Dr. Doug Sears Learning Center, and Temple City High School. Students receive a certificate, a letter for their parents, and a bumper sticker. Their photo and story will be posted on the Temple City Unified School District website, on their Facebook page, and the Superintendent's monthly newsletter.
