

# Kiwanis Honors Cloverly Elementary School Students KeXin Zhang and Alvin Chan April 20, 2021

The Kiwanis Club of Temple City recognized two outstanding students from Cloverly Elementary School. During this time of pandemic our club recognized these great students at a virtual Zoom meeting.

**KeXin** is 12 years old and in the 5<sup>th</sup> grade. She is in Ms. Sander's class. She has an older sister and enjoys dance, playing handball and badminton. KeXin said, "The best things about Cloverly are the teachers, my friends, and handball." The best thing that ever happened was getting a special surprise from her sister on her birthday.

If she could change one thing, it would be to not have Covid-19 happen and be able to return to school. If KeXin could build one thing, it would be a Roblox center so she could play there on her iPad. Personal goals are to be smarter, make new friends, and learn more skills.

**Alvin** is 10 years old and in the 5<sup>th</sup> grade. He is in Mrs. Sander's class. He has an older sister and enjoys playing games like Roblox and reading. Alvin said, "The best things about Cloverly are the kind kids, Spirit Rallies, theme days, and learning new things." The best thing that ever happened was winning a football game at school.

If he could change one thing, it would be to come back to school. If he could build one thing, it would be another Legoland. Personal goals Alvin is striving for is to be a good friend, get better at playing games, and doing his work.

Each month the Temple City Kiwanis Club is pleased to recognize outstanding students and their teachers from La Rosa, Cloverly, Emperor, Longden, Oak Avenue, Dr. Doug Sears Learning Center, and Temple City High School. Students receive a certificate, a letter for their parents, and a bumper sticker. Their photo and story will be posted on the Temple City Unified School District website, on their Facebook page, and the Superintendent's monthly newsletter.
