

Kiwanis Honors Cloverly Elementary School Students

Rosetta Li and Soleil Luna

May 18, 2021

The Kiwanis Club of Temple City recognized two outstanding students from Cloverly Elementary School. During this time of pandemic our club recognized these great students at a virtual Zoom meeting.

Rosetta is 12 years old and in the 6th grade. She is in Mrs. Baker's class. She has an older sister and enjoys games, books, playing the violin, and chatting with friends. Rosetta said, "The best things about Cloverly are the Boba fundraisers before the pandemic, the fun activities, and the interesting, responsible, and funny Principal of our school." The best thing that ever happened was getting her favorite book that was just released. Rosetta loves to read books.

If she could change one thing, it would be to get better with her attitude towards homework and not be lazy and wait until the last minute. If Rosetta could build one thing, it would be a mood machine that helps track her mood and cheer her up. Personal goals she is striving for are to have better artistic skills, learn more math lessons, and get better at playing the violin.

Soleil is 11 years old and in the 6th grade. She is in Mrs. Baker's class. She has brothers and sisters and enjoys baseball, basketball, paddle board, and Star Wars. Soleil said, "The best things about Cloverly are all the nice teachers, they want the best for everyone, and Mr. Edo gives his absolute best in every way." The best thing that ever happened was, still waiting as everything has been good.

If she could change one thing, it would be to add another handball court at Cloverly so the lines are not so long. If she could build one thing, it would be a hospital for countries that need help for vaccines, or a Star Wars museum in Los Angeles. Personal goals Soleil is striving for is to get better grades, have a great 7th grade at Oak Avenue, and make the basketball team next year.

Each month the Temple City Kiwanis Club is pleased to recognize outstanding students and their teachers from La Rosa, Cloverly, Emperor, Longden, Oak Avenue, Dr. Doug Sears Learning Center, and Temple City High School. Students receive a certificate, a letter for their parents, and a bumper sticker. Their photo and story will be posted on the Temple City Unified School District website, on their Facebook page, and the Superintendent's monthly newsletter.
