Nathanyel is 17 years old and in the 12th grade. He is in Principal Bob Westgate's class and has two older sisters. He enjoys music, writing, crafting, and overthinking. Nathanyel said, "The best things about the Learning Center are having flexibility to work at my own pace, the sense of unity between staff and students, and the shortened class hours." The best thing that ever happened was growing up and having troublesome childlike expectations.

If he could change one thing, it would be the range of human perception. If Nathanyel could build one thing, it would be a high-end apartment complex. Passive income is the key to financial freedom. Personal goals are to finish his educational career, expanding his social networking and maintaining community.

Tony is 18 years old and in the 12th grade. He is in Principal Bob Westgate's class and has two older brothers. He enjoys reading and playing video games. Tony said, "The best things about the Learning Center are science and art, being able to connect with teachers, talk and share ideas beyond the scope of the course, and hanging out with my friends, they can be the best friends you will ever make." The best thing that ever happened was finally getting treatment for his ADHD.

If he could change one thing, it would be to have perfect genetics so he would be super smart, attractive, and not have a risk of any diseases. If Tony could build one thing, it would be the world's largest coffee museum. Personal goals he is striving for are to get a job where he is not miserable, moving out, and get higher education in the sciences.

Each month the Temple City Kiwanis Club is pleased to recognize outstanding students and their teachers from La Rosa, Cloverly, Emperor, Longden, Oak Avenue, Dr. Doug Sears Learning Center, and Temple City High School. Students receive a certificate, a letter for their parents, and a bumper sticker. Their photo and story will be posted on the Temple City Unified School District website, on their Facebook page, and the Superintendent's monthly newsletter.
